service@anchorpump.com

GRUNDFOS 

Authorized Service Provider for Grundfos and Peerless Pumps

10,000 Sq. Ft. Repair Facility

Repairs

Anchor Pump can repair any brand of pump or related equipment either on site or at our new repair facility. Contact us to schedule a pick up or a service call to your site. We will provide a detailed repair quote for your review.

Installation

Anchor Pump will install and align new or repaired pumps. New pumps can be retrofitted into existing piping and custom bases can be fabricated. We can coordinate every aspect of the job.
