

# ANCHOR PUMP AND ENGINEERED EQUIPMENT

SALES, SERVICE, AND ENGINEERED SOLUTIONS

Warminster, PA

sales@AnchorPump.com | 215-364-4400 | www.AnchorPump.com

Since 1981

*We service ALL pumps at our shop or your facility.*

- #1 in World Pump Production
- #1 in US Pump Production
- Leader in Energy Efficiency

- Vertical Multistage
- Booster/Circulating
- BoosterpaQ Pressure Boosting Systems
- Digital Dosing

## AUTHORIZED INDUSTRY PARTNER

- End Suction
- Horizontal Split Case
- ANSI
- Verticals
- Fire Pumps

- End Suction
- Horizontal Split Case
- Inline
- Vertical Space Miser
- Accessories

- Wet Pit
- Dry Pit
- Solids Handling
- Grinder
- Sewer Chewer

- ANSI
- Self-Priming
- Triple Volute
- Chemical Resistant

- Air Operated Diaphragm
- Plastic
- Metal
- FDA
- Hygenic

- Self-Priming
- End Suction
- Engine & Motor Driven
- Off The Shelf

- Submersible Pumps
- High Temperature
- High Head
- Solids Handling
- Explosion Proof
- Part of Industrial Flow Solutions

- AODD "One Nut" Pumps
- Rupture Protection
- Leak Detection
- Metals, Plastics, Jacketed
- Food Grade

- Self-Priming
- Solids Handling
- Priming Assisted
- Motor & Engine Driven
- Rotary Gear Pumps

- Submersible Pumps
- Slurry, Sludge, and Drainage
- Run Dry Feature

- Submersibles
- Dry Pit
- Sewage
- Grinders

- Boiler Feed Pumps
- GIW Slurry Pumps
- High Temperature
- End Suction
- API

- Nikkiso Canned Motor Pumps
- Parts, Repairs, and Service

- Metering Pumps
- Instrumentation
- Engineered Skids
- Polymer Blending

- Submersibles
- Dewatering
- Solids
- Specialty
- Controls
- Part of Industrial Flow Solutions

- Vacuum Pumps
- Liquid Ring & Sliding Vane
- Boosters & Blowers
- Complete Packages

### INDUSTRIAL WASTE SYSTEMS

#### pH Systems

- Batch
- Continuous
- Concentrated
- Lab & Industrial

#### BioKill Systems

- Biological Waste Inactivation
- Continuous or Batch
- BioDELTA™ Duo (*biokill + pH adjustment*)
- BioDELTA™ Trio (*biokill + pH adjustment + CIP*)

#### Removal Systems

- Heavy Metal
- Fluoride Removal
- Vacuum Distillation

#### Custom Systems

- Chemical Collection
- Chemical Dispensing
- Acid Dilution
- Lift and Pump Systems

- Chemical Metering Pumps
- Formerly Hydroflo

- Pitbull Pump
- For Difficult Pumping Applications
- Two Check Valves and One Chamber

- Single Cartridge Seals
- Double Cartridge Seals
- Split Seals

- Centrifugal Pumps
- Mag-Drive
- Multi-Stage
- Stainless Steel
- Plastic

- Heavy Duty Pumps
- Slurry Pumps
- Hard Metal & Rubber Lined
- Abrasive Service

- Formerly T-Thermal and Selas
- Combustion Equipment
- Thermal Oxidizers

- Filters for Thermal Fluids
- Industrial Filtration
- Custom Systems

- Dust & Fume Extraction
- Stationary & Mobile Filters
- Fans
- Hose Reels
- Accessories

- Quick-Fit® Duct Fitting
- Flanged Pipe
- Ducting Fittings
- Galvanized & Stainless Steel
- Made in USA

- Self-Priming
- Solids Handling
- End Suction
- Motor & Engine Driven

- Tower Packing
- Random & Structured
- Column Internals

- World's largest VFD Manufacturer
- Variable & Constant Torque
- Bypass & Configured Units
